

BRIJESH KUMAR

CYBERSECURITY & NETWORK SECURITY | SOC ANALYST | ETHICAL HACKING

brijeshkumar9135@gmail.com | +91 9135058254 | GitHub: github.com/cyberbrijesh91 | LinkedIn: linkedin.com/in/cyberbrijesh91

PROFESSIONAL SUMMARY

Cybersecurity and Network Security professional with an MCA degree and hands-on experience in SOC monitoring, threat detection, network security, ethical hacking, vulnerability assessment, log analysis, and incident response. Skilled in Python, SIEM, Splunk, Wireshark, Nmap, Kali Linux, and networking concepts. Experienced in AI/ML-based cybersecurity projects and security risk prediction. Seeking an entry-level role in Cybersecurity, SOC, Network Security, Ethical Hacking, or Security Analysis.

TECHNICAL SKILLS

Programming	Python, SQL
AI/ML	Machine Learning, Generative AI
Networking	TCP/IP, OSI Model, Routing, Switching, DNS, DHCP, HTTP/HTTPS, CCNA
Cybersecurity	Network Security, SIEM, Threat Detection, Incident Response, Vulnerability Assessment
Tools	Wireshark, Nmap, Kali Linux, Splunk, Git
Operating Systems	Windows, Linux
Database	SQLite, MySQL

PROJECTS

- **CyberGuard SOC Dashboard** – AI-powered SOC dashboard for security monitoring, threat detection, log analysis, and incident tracking.
- **Cybersecurity Risk Prediction** – Machine learning-based system for cybersecurity risk assessment, threat classification, and prediction.
- **Network Monitor** – Real-time network monitoring tool for traffic analysis, anomaly detection, and security alert generation.

INTERNSHIP EXPERIENCE

Network Security Associate – Fortinet (Virtual Internship) | 2025

- Completed a 10-week virtual internship focused on network security, firewall technologies, VPNs, threat detection, and cyber defense.
- Analyzed simulated attack scenarios and network traffic; gained practical exposure to enterprise network security concepts.

Ethical Hacking Intern – EduSkills (Virtual Internship) | 2025

- Completed a virtual internship focused on ethical hacking, vulnerability assessment, and cybersecurity fundamentals.
- Used Kali Linux, Nmap, and Wireshark for reconnaissance, network scanning, and security analysis in a controlled environment.

EDUCATION

Master of Computer Applications (MCA)
Galgotias University, Greater Noida

2024–2026
CGPA: 7.5

Bachelor of Science (B.Sc. Mathematics)
BRABU, Muzaffarpur

2019–2022
63%

CERTIFICATIONS

- CCNA: Introduction to Networks – Cisco Networking Academy
- NPTEL – Cyber Security and Privacy (Elite) – Completed
- NPTEL – Ethical Hacking – Exam Pending
- NPTEL – Data Structures and Algorithms using Python – Exam Pending
- NPTEL – Operating Systems – Exam Pending

SOFT SKILLS

Problem Solving | Analytical Thinking | Communication | Teamwork | Time Management | Attention to Detail

LANGUAGES

Hindi – Native | English – Intermediate
